Dear Parents / Carers,

MOTHER’S DAY STALL
On behalf of our students, I must thank the amazing Mums and Dads who contributed to making last Friday’s Mother’s Day stall such a wonderful success. The children were thrilled to be able to choose from such a wide, well-priced and high quality selection of gifts for their Mums and I know they were gratefully received. Thank you!

NAPLAN ASSESSMENTS
Approximately 90 Years 3 and 5 students participated in the NAPLAN Assessments this week and all must be congratulated for trying their hardest to demonstrate their best work. Just a reminder that tomorrow (Friday 17 May) is NAPLAN Catch-up Day, so students who have missed one or more of the tests that were conducted during 14-16 May will be able to sit those tests tomorrow.

SCHOOL CHAPLAIN POSITION
As previously advised via the newsletter, we are in the process of appointing our first NASS CHAPPY. Interviews were conducted yesterday and we are hoping to have our new Chappy commence next week. This is a fantastic opportunity for our school and we look forward to what they can bring to our school and students. Stay tuned!

HALL EXTENSION & REFURBISHMENT PROJECT UPDATE
NASS has just been SUCCESSFUL in winning a $35 000 Community Gambling Benefit Fund grant application towards the HALL EXTENSION AND REFURBISHMENT PROJECT!!! This is great news and certainly a step closer to achieving this major infrastructure improvement for our school. We are now awaiting the results of the Smart School Subsidy Application I have submitted, to find out if we will receive that additional $430 000 towards the project. We should find out within the next few weeks, so keep your finger crossed for us!

SPORTS DAY
Weather permitting, our Sports Day will be on Wednesday 29 May, ready for District Track & Field Carnival on Thursday 6 June. Fingers crossed again for fine weather!

UNDER 8’S DAY
Please join us next Friday 24 May (9.00-11.00am) for our annual Under 8’s Celebrations! Younger family and friends are welcome too. See flyer later in the newsletter for details.

Kind Regards
Kelly
HEARING SCREENING - COMING IN NOVEMBER
CONSENT FORMS AVAILABLE FROM THE OFFICE
Did you know that research taken from the Hearing in Schools’ Study, 2005 indicates that as many as 15% of school children may be affected by slight and mild hearing loss? 15% of our current NASS students is a whopping 52 students. Based on the possibility that a student’s hearing can change over time, often without even the child, parent or teacher noticing, we have organised for hearing screening to be offered to all NASS students on Friday, 8 November 2019.

North Coast Aboriginal Corporation for Community Health (NCACCH) will be funding the cost of screening for our Aboriginal and Torres Strait Islander students. Plus, this service will be offered to all other NASS students at a cost to parents of $18.33 per student.

Hear and Say parent letters and consent forms have now been given to all of our Aboriginal and Torres Strait Islander students. For all other students who would like to access this service, parent letters and consent forms are available at the front office. Please note that all consent forms will need to be returned to the front office along with payment if required before Friday, 21 June 2019.

For further information regarding the hearing screening program please read the parent letter and/or contact staff from Hear and Say's audiology team on 07 3850 2111.

SPORT NEWS
Hi All,
If any parents are interested in buying their child a North arm running singlet that is worn by our students at cross country and athletics District Carnivals can you please let me know. We have had some interest from parents, singlets will be much cheaper to purchase if there is an order of 12 or more.

Can students who wore a North Arm singlet at the recent District Cross Country Trials please return them to get your name ticked off. Students competing at the upcoming District Athletics will need to wear them.

Thanks
Mr Mckie

One sunny morning at the beautiful beach a couple of surfers were running across the golden sand towards the shimmering water.

They paddled out to where the big waves were. They started to catch the ginormous ones.

Surprisingly one of the experienced surfers got stuck in a wave. It was a stunning experience.

Out of the corner of his eye he saw a massive tale [one of witch to be a dinosaur or a giant shark].

He tried to get a better look, but it was gone! Then the other surfer shouted out and then the wave collapsed on the surfer! The surfer woke up and saw the entire beach was in absolute chaos. He asked a woman “what is going on” and she said “there’s a megalodon in the water” the surfer thought for a moment and then nearly fainted again because of the thought. He looked in the water to see if it was true and sure enough there it was as clear as it could be.
CYBERSAFETY STUDENT SESSIONS FOR YEARS 4-6 STUDENTS: FRIDAY 31 MAY

On Friday (31 May), we will have the Cybersafety team visiting our school to deliver Cybersafety presentations to our Yrs 4-6 students.

This is a fantastic opportunity for our students, which is why the school has met all costs for this presentation. We believe it is absolutely vital for EVERY student to hear the messages:
- Understanding digital footprints and responsible digital citizenship
- How to protect personal information when creating online accounts
- Cyberbullying and standing up for friends online
- Account privacy and how to create a strong password
- Responding to negative online content
- How to handle yourself if you’re having a difficult time online

Session times on Friday will be as below. PARENTS ARE MOST WELCOME TO COME ALONG TO THEIR CHILD’S SESSION:
- 12.00-1.00pm Year 4 Session
- 1.45-2.45pm Year 5/6 Session

FOR SALE

Bettie Clark’s Diary and Early North Arm by Audienne Blyth is available at Yandina Historic House or from Audienne, 54468562, at a cost of $15.

The book tells the story of the Clark family who lived in the district from 1889 to 1898. It describes how early settlers lived, the great floods of 1893 and 1898 and the opening of the railway in 1891. It also describes the pioneering families and early industries such as timber, dairying and cane.
