All Welcome*

Hey spectacular North Arm community,

I hope you're having a lovely day so far!

A topic that seems to keep popping up in my conversations with students lately is the power of our words. Our words have the powerful ability to build people up or tear them down.

Our words are like seeds, we plant the seed & each time a person hears the same thing spoken over them that seed is watered. Did you know that we only have to hear something 5 times & then it starts to take root in our mind? If it is a negative word – the tree that grows in the mind will bear negative fruit, but if it is a positive word – the tree that grows will bear positive fruit.

I used to be a really negative person, & it's taken many years to try to train my brain & mouth to speak more kindly to myself & others. And to be honest – it's still a daily choice I have to make. Looking at how much my life & relationships have changed – I really believe in the power that encouragement & kind words have in spreading hope & healing.

I asked a group of students the other day how they felt after someone had encouraged them; they said they felt stronger, happier, braver, more motivated to try harder at things. How much better would this world be if we all spread more encouragement, hope, positivity & gratitude?

So my challenge this week is for each of us is to try to spread as much encouragement around as we can!

Have yourself a fabulous rest of your week!

😊 *Chappy Kit*

WELCOME BBQ 26 MARCH 5-7PM

We are so looking forward to our first whole school community event of the year.

We will be offering snags, burgers and a vegan curry with rice for sale on the night. There will also be a full bar plus soft drinks and snacks for the children.

Chappy Kit along with volunteers from Camp Australia will be keeping the children amused with good old fashioned games.

There will be live entertainment provided by the School Rock Band and also by Nautilus, a local band made up of Dads from the school. Come along help to raise some much needed funds for our chicken coop and have a great night.

MOTHER'S DAY STALL FRIDAY 7 MAY

We have a proud tradition at North Arm of making handmade, upcycled and recycled presents for all the lucky Mums at school. We love donations of all kinds of treasures like plants, jewellery, chocolates, scarves, books, dvds, cds, the list is endless. There will be a donation box in the office shortly. We will also be organising some baking and making mornings in the school. More information to come...

HAPPY MOTHER'S DAY

Friday 16th April

Our 'Just Be YOU!' workshop has been developed for our younger Tweens, to introduce the VERY important topic of self-esteem and self-confidence.

During this workshop we will explore what self-confidence feels and looks like, we will discuss the importance and enormous benefits of liking yourself, and we will identify with our pre-teen what makes her unique and special! Tween Talk: Navigating Friendships in a Girls' World

FRI 9TH APRIL | GOODLIFE COMMUNITY CENTRE BUDERIM | 9 AM - 12 PM

Our 'Tween Talk: Navigating Friendships in a Girls' World' is a great workshop for pre-teen girls. Navigating friendship throughout the pre-teen years can be challenging and difficult. As your Tweens' friendships start to become more important to her, it is crucial for her to seek out healthy friendships and be able to identify negative ones.

This workshop will focus on the relationships between friends, the benefits of friendship, and what healthy friendships feel and look like. We will discuss the changing dynamics between pre-teen girls, identify the problems that they face in friendship, discuss how to handle issues when they pop up in friendship groups and how to spot a toxic friendship.

We will explore the qualities that are important in friendship, and discuss how to be a great friend to others.
